Reference List for Programs, Majors, and Certificates

Indicate your first- and second-choice major on this application. Students may enter UNLV without declaring a major by choosing the undeclared major as their first choice with no second choice. If you do not meet the admission requirements for your first choice, the university reserves the right to place you in your second-choice major or undeclared major where your academic advisor will be in the Academic Success Center. **Please note:** For many of UNLV's majors, students are admitted into a college and then placed into a major once they have met with an academic advisor. For example, students are admitted into the College of Business and then placed into one of the 10 individual majors after meeting with an academic advisor.
