Subject: Approved Awarding Authority - Specialist in Education (Ed.S)

The UCCSN Academic Affairs Council approved the authority to award the Specialist in Education (Ed.S.) to the Department of Educational Psychology at their meeting on December 10, 2003. This follows the move of the school psychology program to the Department of Educational Psychology earlier in 2003. It has been determined that this change will NOT need to go to the Board of Regents for further
consideration and can now be considered effective.

This does NOT affect the authority to award the Specialist in Education of any other department in the College of Education.

Please note for any databases, lists, etc. and make appropriate changes.
