Subject: Approved New Graduate Certificate: Multicultural Education

The UNLV Graduate College approved this new 12 credit certificate for implementation August 2017.

The Graduate Certificate in Multicultural Education (GCME) targets full- or part-time graduate students who seek academic preparation in multicultural education in order to build/improve their capacity for working well/effectively with diverse populations. There are two options in this certificate: one is a non-recertification option, the other is a recertification option. Both options target full- or part-time graduate students who have completed an undergraduate teacher education licensure program, and/or an alternative route to licensure program, in which multicultural education coursework (or related content (e.g., cultural diversity, cultural competency, etc.) was not a significant part of the program to build/improve their capacity for working well/effectively with diverse PK-12 student populations and their families.

Effective: August 2017

This is the final approval.
