Office of the Executive Vice President & Provost

MEMORANDUM

June 14, 2016

To: UNLV Campus Community

From: Rainier Spencer
Vice Provost for Academic Affairs

Subject: William F. Harrah College of Hotel Administration Departments

The following departments were approved by the NSHE Board of Regents at its June 2016 meeting:

Resort, Gaming, and Golf Management
Food & Beverage and Event Management
Hospitality Management

The department structure will enhance support for academics by affording students more efficient access to administration, enhancing administrative supervision of academics, facilitating curriculum development by department faculty committees, and distributing responsibility for promoting and assessing performance toward the college's and the university's Retention, Progression, and Completion goals. The department structure will significantly increase faculty participation and leadership development consistent with UNLV's Top Tier initiative by establishing several department faculty committees and elected department chairs.

Each department will be responsible for its assigned undergraduate courses, supervision of faculty, mentoring new faculty, annual evaluation of faculty, curriculum and program development and review, independent studies, supervision of student achievement, and assessment of UNLV's goals pertaining to Retention, Progression, and Completion.

Effective: July 1, 2016

This is the final approval.

Please note for lists, databases, and generation of appropriate codes, etc.
