MEMORANDUM

June 14, 2016

To: UNLV Campus Community

From: Rainier Spencer
Vice Provost for Academic Affairs

Subject: M.Ed. Educational Policy and Leadership

The M.Ed. Educational Policy and Leadership was approved at the June 2016 NSHE Board of Regents meeting.

The primary purpose of the Educational Policy and Leadership (EPL) program is to prepare educational leaders for leadership and administrative roles in K-12 schools in response to 21st century challenges. Particular attention will be paid to engaging pre-service principal interns in community-building efforts with for-profit and non-profit businesses, social service agencies, and university entities. This program will encourage systematic research-based practices and evidence-based decision making, particularly focused on urban populations, and guided by state and national educational standards. The development of the EPL program to meet critical shortages in quality educational leaders has been highly supported by the Clark County School District Superintendent.

Effective: Fall 2016

This is the final approval.

Please note for lists, databases, and generation of appropriate codes, etc.
