Office of the Executive Vice President & Provost

MEMORANDUM

31 August 2004

To: UNLV Campus Community

From: Michael W. Bowers
Vice Provost for Academic Affairs

Subject: Approval - School of Public Health and Master of Public Health (MPH) Degree

Please note that the UCCSN Board of Regents at its August 2004 meeting approved the Master of Public Health (MPH) degree and the School of Public Health in the Division of Health Sciences.

The Master of Public Health is a thirty-nine credit degree program that requires students to take a core curriculum in public health plus an area of specialization chosen from among health promotion, environmental and occupational health, health care administration, and biostatistics and epidemiology.

The School of Public Health will be located within the Division of Health Sciences and will house the Department of Health Promotion, the Center for Health Promotion, the Environmental Health Program, the Health Care Administration Program, the Nevada Institute for Children's Research & Policy, and the American Indian Research and Education Center. The contact person for the School and the MPH degree is the Interim Dean, Mary Guinan, who can be reached at x55090.

Please note for lists, databases, codes, etc.
