To: UNLV Campus Community

From: Michael W. Bowers

Subject: Approved Change: Department of Health Promotion Change to Program in Health Promotion

Please note that the following change was approved by the NSHE Board of Regents at their March 2010 meeting. This is the final approval.

The Department of Health Promotion has been changed to a Program in Health Promotion. The status better aligns the school with accreditation criteria and structure and negates the need for a department chair and the associated stipend.

Effective Date: Immediately

Please note for lists, databases, and generation of appropriate codes, etc.
