Subject: PROVOST ALERT - Approved Unit Elimination: Institute for Latin American Studies

The NSHE Board of Regents' approved the following unit elimination at their September 2014 meeting. This is the final approval.

The Institute for Latin American Studies, no longer operates as a center, but rather as an academic program. Currently enrolled students will not be affected by the elimination of the Center since students are not directly involved in formal course work associated with the unit itself. Revitalizing some of the previous activities and adding new initiatives will now be organized/supported through the Latin American Studies Forum, within the Latin American Studies Major, a component of UNLV’s Interdisciplinary Degree Programs.
